

Dear Fellow Contester:

THE SOUTHERN CALIFORNIA CONTEST CLUB WANTS YOU !

Yes, a Southern California Contest Club has been formed, and you are cordially invited to become a FULL MEMBER, entitling you to all the rights and privileges of membership.

The SCCC is a young (organized July 17, 1976) and dynamic organization with a membership already exceeding fifty. The Club draws its members from the area within a 175-mile radius of the Rose Bowl in Pasadena (yes, essentially ALL of Southern California from the Mexican Border as far north as San Luis Obispo and Bakersfield)

Its members' interests encompass all phases of amateur contesting: DX, VHF, Field Day, Sweepstakes, etc. Already holding SCCC membership are some of the top operators in the country (and the world).

The purpose of the SCCC is essentially three-fold:

1. To provide an opportunity for the testers of Southern California to associate and socialize with one another on a regular basis.
2. To elevate the standards of contest operating within the area.
3. To participate as an organization in the major contests by the contribution of its members scores to the aggregate Club total.

Current (and planned) club activities include:

1. Six regular meetings per year
2. A SCCC-sponsored Field Day effort
3. A Club newspaper
4. Annual picnics and banquets
5. Technical assistance to members (such as raising antennas)
6. Sponsorship of the National Contest Journal
7. Inter-club competitions with our rivals to the north, the Northern California Contest Club, and other contest organizations
8. Certificates and trophies to members for individual accomplishments

Annual dues for membership in the SCCC are only \$6.00. This includes a year's subscription to the bi-monthly National Contest Journal (regularly \$4.00 alone).

Rush the completed MEMBERSHIP FORM (and your six bucks) to:

Southern California Contest Club  
2018 South 8th Avenue  
Arcadia, CA 91006

If it is received before 31 October, you will be entitled to participate as a CLUB MEMBER in the SWEEPSTAKES CONTEST (November 6-7, CW and 20-21, phone). It is our intention to give the reigning National Champions, the Northern California Contest Club, a run for their money (as we did already in the All-Asia DX Contest).
